### **CROSSOVER Week!**

This is the first of two CROSSOVER WEEKS that will occur this season. **Half of the teams will be playing on a different night this week.** And all teams, as a result, will be playing an opponent who regularly plays on "the other night of the week." What this means is that **you MUST check the schedule to confirm which night you will be playing this week.**

FOUR Thursday teams will be playing on Wednesday. FOUR Wednesday teams will be playing on Thursday. Is your team one of them? Check the schedule to find out – and then make sure you show up on the right day. We'll have another crossover week in Week 8. You'll love it. A crossover week is a great opportunity to meet some fresh faces in the conference – and to see why YOUR night of the week is better than the other one.

AND for anyone looking for **a map of where we play**, check out the following link. ...

### **Mid-Season PARTY Coming Soon!**

Go ahead and save **June 2** on your calendar. That's when we're planning to have the super-awesome **MID-SEASON BLOWOUT/PARTY/SHINDIG/RAVE**. We are moments away from inking the deal for the location. It's going to be groovy. Stay tuned. Details to come in a future e-mail.

### **Weather Policy and Forecast**

**REMINDER:** We've said it before, and we'll say it again: This is weird weather country. Don't assume too much. If it is raining in Bethesda, it might be dry on the Mall. A downpour on I-395 might never make it

across the Potomac. A supercell can blow past in the blink of an eye and the fields can be dry again in no time. Your Capital Conference Board of Directors will post or send rainout notices by 5 p.m. on game days. If you don't hear anything by 5 p.m., head to the Mall. If you get there and it's a soggy ghost town, go to the 18th Amendment. (We ALWAYS will go to the sponsor bar, rain or shine.)

**FORECAST:**

*(This week's weather is brought to you by Weather Girl Laura T., aka Polly Pants My Ass from the Big Kids. ...)*

Oh no! The RAINNNNNNN!

Say it isn't so. There's a possibility of rain?! Everyone, stop doing your rain dances. As if this week wasn't confusing enough with crossovers! Remember, unless you hear otherwise from an authority figure, GO TO THE FIELDS! (You'll hear that all season long, but some people still forget.) You don't want your fourth woman skipping kickball and going to the Irish Times for Cop Week, while the rest of the team is struggling on the Fields of Glory. And remember, don't wash your cars today or tomorrow, as it will increase the likelihood of rain.

**This Week's Match-Ups**

*JP (aka The Bookie) has drawn the wagering lines. They are for entertainment purposes only – not real wagering. Pickers this week include Scott (aka ScottPockets), Marc (aka Mountaineer Dude), and Hilary (aka Hard Core).*

**WEDNESDAY, MAY 16**

**AA-Team (-7) vs. APCO All Stars**

**6:30 p.m.**

**Field A**

*Umps: Freqs, YTBD*

The All Stars are going to score this week. We just know it. But AA-Team should still win handily – leaving the field in the belief that all Thursday teams are easy. And they'd be right ... in a way.

*HC: AAT*

*SP: AAT*

**Bad News Barristers vs. Sloppy Seconds (-1)**

**6:30 p.m.**

**Field B**

*Umps: 1.4, BK*

If you missed the BNB-Femur game last week, it's probably because you don't have the Comcast Cickball Combo. (You should call and order that right now.) Suffice it to say that the game was a good one, and BNB is a team to watch this season. We're a little puzzled that JP the Bookie gave the edge to SS, but we did see some scooter marks on his forehead, so ...

*HC: BNB*

*SP: BNB*

**The Freqs vs. YTBD (-5)**

**7:15 p.m.**

**Field A**

*Umps: AAT, APCO*

We're surprised that the mighty Freqs of the Fall Capital Conference have not come on stronger this season. Could this be their breakout week? It sure would be one heck of an upset. YTBD (You Totally Bunted, Dude!) has been rampaging on Thursdays. But maybe Wednesday is their weak night.

*MD: YTBD*

*HC: Freqs*

*SP: YTBD*

**>1.4 Miles vs. Big Kids (-2)**

**7:15 p.m.**

**Field B**

*Umps: BNB, SS*

>1.4 Miles made the other teams :( when they failed to show at the bar last week. The Big Kids could learn a lot from them. ;)

*MD: 1.4*

*HC: BK*

*SP: 1.4*

**THURSDAY, MAY 17**

**Here for the Beer (-4) vs. Balls Optional**

**6:30 p.m.**

**Field A**

*Umps: DCD, YMT*

Here for the Beer takes its socializing so seriously that some players are required to wear business suits to the bar. But the way those guys play flip-cup, a wetsuit might be more appropriate. Balls Optional will look to redeem itself after last week's regrettable forfeit to Team Lush. (They could have forfeited to a team that at least doesn't wear silly hats.)

*MD: Beer*

*HC: Beer*

*SP: Beer*

### **Campesinos vs. Team Lush (-3)**

**6:30 p.m.**

**Field B**

*Umps: TF, RR*

We just found out that "Campesinos" is Spanish for "Suck It, Purple." Despite last week's loss to AA-Team, the 'Sinos have potential. Meanwhile, Lush has not played kickball since May 3. Rusty Lushes go squeak-squeak-slosh. Not a pretty sound.

*MD: Lush*

*HC: Lush*

*SP: 'Sinos*

### **DC Detention vs. Your Mom's Team (-4)**

**7:15 p.m.**

**Field A**

*Umps: HftB, BO*

Hard to believe that veteran team DCD got pounded by 1.4 Inches – er, Miles – last week. Yet it happened. Meanwhile, YMT is strong but gave up its first run (of the entire season) to the Red Rovers last week. In fact, YMT gave up two runs to the Rovers. So that ought to tell you something about YMT's momentum ... or lack thereof. DCD has a fighting chance here. We won't be placing any bets, but we're thinking that this will be a good game.

*HC: Moms*

*SP: Moms*

### **Thick Femur (-7) vs. Red Rovers**

**7:15 p.m.**

**Field B**

*Umps: 'Sinos, TL*

The Big Kids' players are old, but Thick Femur players are pretty darn old, too. ("How old are they?!") They are so old that they used to shop at Old Navy when it was just called "Navy." I mean, they're ooooooold. They're so old that they used to take just peanut-and-jelly sandwiches to school for lunch. They're ancient! They are so old that Zahi Hawass did a documentary on them. They are so old that they used to play kickball on the Mall when Constitution Avenue was still known as "Articles of Confederation Avenue." THAT's how old they are! ... But they are still good, and they will challenge the Rovers – who have a lot of young, fresh players this year. (Of course, if those young, fresh players don't come in handy for the Rovers on the field, they can always prove useful at the bar.)
